### Local Construction Company Awarded New Facility Contract

Denver, CO -- May 27, 2005 -- **dcb Construction Company, Inc.**, a locally owned and operated construction company since 1960, was awarded Colorado Carpet Distributors, Inc.'s new 30,000 square foot warehouse and distribution facility located at 12275 E. 45<sup>th</sup> Avenue in Denver, Colorado. Construction on this design-build project began January, 2005 and is scheduled for completion August, 2005.

Primarily a supplier to residential and commercial builders, Colorado Carpet Distributors, Inc. was established in 1983. With a 30 year history in the floor covering business, Fred Mazzotti purchased the company in 1996. Mazzotti's philosophy of excellent quality service and solid hiring practices initiated rapid growth. Since 1996 this locally owned and operated carpet company has steadily grown necessitating a new, larger building for their professional design center and staff. The company's signature is a high level of customer service before, during and after the installation. A designated warranty department focuses on service after the sale and on site quality control.

A respected Colorado builder since 1960, **dcb Construction Company, Inc.** began concentrating on design-build projects from its inception and today is ranked one of Colorado's premier top ten design-build firms by Colorado Construction Magazine, 2004. **dcb** is currently celebrating its 45th anniversary of providing design-build construction services throughout the state of Colorado.
