Local Construction Company Awarded Renovation Contract

Denver, CO -- November 1, 2005 -- **dcb Construction Company, Inc. (dcb)**, a locally owned and operated construction company since 1960, has been selected by V3 Companies of Colorado (V3), to design and build a 7,000 square foot tenant improvement in V3's existing office suite located at 2399 Blake Street, Denver, Colorado. dcb is partnering with Davis Partnership Architects on this renovation project. Construction is scheduled for mid-November, 2005 with a completion date of January, 2006. This is the second occasion V3 has chosen dcb for their design-build needs.

V3 is a multi-disciplined consulting firm, comprised of engineers, surveyors, scientists and construction advisors committed to providing solutions to clients with land development, natural resource and infrastructure needs. V3 has been recognized in the Zweig Letter's Top 100 Hot Firm list as one of the fastest growing A/E/P Environmental Consulting firms in the country; in Engineering News Record Top 500 Design Firm list; and has been named as one of the top 50 civil engineering firms to work for in the nation according to an annual CE News survey. V3 has offices in Chicago, Denver and Phoenix.

A Colorado builder since 1960, dcb Construction Company, Inc. began concentrating on design-build projects from its inception and today is ranked one of Colorado's top ten design-build firms by Colorado Construction Magazine. dcb is currently celebrating its 45th anniversary of providing design-build construction services throughout the state of Colorado.
